We would like each child to be paired up with a team kid at Gymcats, so please call ahead and sign up your child, so we are ready when they arrive at class.

Also, our kids are very excited to help your kids in class. Please be considerate and call ahead to cancel if your child is unable to make the class, so we don't have someone awaiting their arrival. If you no show 3x without calling in, you will be charged for your classes \$18/class for 3 classes then you may attend free again.
