**Dear** Gymcats Administration, friends and well-wishers,

We pray that you're all well and healthy. We have seen the wonderful pictures tagged on our face book showing you all and the performances at the recent M-lisada benefits event that our friends of Gymcats organized we wish we were there in person to witness the love and care that you have towards us through the happy faces that you all wore on that day. They keep us thinking about you everyday, we take this gracious opportunity to thank you all for making it at this event and donating all you had to make our lives at M-lisada home appear wonderful. Before we met Michael Rice our feet were bare, and we had not the means of obtaining shoes we came to the chief of Kufah in a state of much dejection, and saw there a man who had no feet. We returned thanks to God and acknowledged his mercies and endured our want of shoes with patience and waiting patiently we have come to meet friends like Michael Rice and his family plus all the amazing people at Gymcats and you all, see we have cried to you for shoes which you have given us with much love and care. Thankfulness is something God gave us yet it is not a spiritual gift and it is not a spiritual fruit. We can receive God's peace, joy and love, but thankfulness is something that we give to God and to others like Gymcats, friends and well-wishers all those who participated who donated things for auctioning, those who provided their technical skills in organizing the event, all those who gave us all forms of support through this event. It is a choice that we make. Let us thank you all today with songs of celebration, hearts of strong devotion and acts of admiration. Special thanks go to Michael Rice, Cassie Rice, Jordan Coburn, Taylor & Lauren Rice, and the entire Gymcats team for coming up with such a wonderful idea and it has made such a great impact to us all at M-lisada family.

**THE WORD IS "THANK YOU VERY MUCH" WE PROMISE TO PUT ALL THE FUNDS TO PROPER ACCOUNTABLE MEANS. MAY GOD BLESS YOU ABUNDANTLY.**

M-lisada family,  
Kampala (Uganda).
